

IMPORTANT ANNOUNCEMENT

POWERMAN MALAYSIA 2021 POSTPONED

December 2021 Update

In line with the Malaysian Government's COVID-19 policies, we are still awaiting approval for the restarting of mass participation events, but we are hopeful that it will soon be possible to announce the new 2022 event date. This will only happen once we have the required permission from the authorities and venue confirmation from Perbadanan Putrajaya.

All individual and team relay registrations, together with race entitlements, will be automatically deferred to the rescheduled event. Registered participants who cannot take part in the rescheduled event will be able to utilise the **Powerman Malaysia Marketplace** - a platform that connects athletes wanting to sell their race entry with those wanting to register for the event. The Marketplace is already operational for your use.

The wellbeing of our athletes, volunteers, officials and partners is our utmost priority and we are truly thankful to our community for their support and patience during these extraordinary and unprecedented times. For further information, please contact helpme@powerman.my.

We wish you good health and we hope to see you soon.

Jeffrey Ross and the team at POWERMAN Malaysia.
